

Raw Materials Manufacturers: Display your products on **Coptis Ingredients Online**

The reference database for discovering and searching for Cosmetic raw materials

The screenshot shows a web interface for Coptis Ingredients. On the left is a sidebar with a background image of a woman's face and a water droplet. The sidebar contains the following text: 'Subscribe to the Newsletter', 'Contact', 'Access to Coptis Ingredients', and 'User' with a text input field. The main content area has the Coptis logo at the top and three bullet points, each preceded by a left-pointing arrow:

- **Publish key product information for formulators**
Presentation, nature, origin, specifications, formulation, regulation, tolerance, efficacy, technical file, MSDS, typical formulations...
- **Indicate your contact details and website link**
Sample & Information requests will be automatically sent to your e-mail.
- **Appear under the heading "New products" within the Coptis Newsletter**
